

Rialto Enterprises achieves a “Silver” rating from EcoVadis

Rialto Enterprises Private Limited received the prestigious “Silver” rating from EcoVadis, the world’s most trusted provider of business sustainability ratings, intelligence, and collaborative performance improvement tools for global supply chains.

EcoVadis’ methodology is built on international sustainability standards, including the Global Reporting Initiative, the United Nations Global Compact, and ISO 26000. The sustainability scorecard illustrates the performance of the company across 21 indicators in four themes: **environment, labor and human rights, ethics, and sustainable procurement.**

Rialto’s sustainability policies, initiatives, targets, and data were processed and analysed by EcoVadis international experts, and compared with international sustainable development standards, ensuring a reliable and independent third-party assessment. EcoVadis has assessed over 1,25,000 companies worldwide for their corporate policies, initiatives, and achievements in four areas: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement.

The “Silver” rating indicates that Rialto placed among the top 24 percent of companies assessed by EcoVadis in the sector.

This award reinforces the value and success of the strategy and actions undertaken as part of our ESG strategy.

“2023 has proven to be a banner year in Rialto’s ESG journey,” **said Rialto’s CEO Mr. Chander Swamy,** “We have stepped up our emphasis across each of the environmental, social, and governance pillars of our ESG strategy and engrained a sustainable focus across our entire business strategy. The efforts of our ESG committee are clearly paying off through this achievement.

Mr. Arun Kumar, President – Operations, adds: “The silver rating from EcoVadis, one of the leading providers of sustainability rankings, is an important milestone in our ongoing efforts to do sustainable work for the benefit of our customers, suppliers and society. Going forward, we intend to continue to lead by example in our industry and fully commit to expanding our sustainability strategy and activities.”
